Re your airtel dated 10/26/71.

Review of your affidavit in this matter indicates that subjects Rosenthal and Blumberg should not be included as principals, unless there is sufficient probable cause for such a recommendation. It would appear that Reuben Goldstein, Las Vegas, Nevada, should be considered a principal in this matter. Corroboration is necessary by an additional source or sources of [redacted] as indicated in your affidavit requesting Title III coverage.

When using the character ITAR, your affidavit should substantiate the interstate nature of the violation.
